

## **ACTION TAKEN REPORT ON STUDENT, TEACHER, ALUMNI, AND EMPLOYER'S FEEDBACK ON CURRICULUM**

### **Action Taken Report 2021-2022**

Most of the students, teachers, alumni and employers are having good opinion on curriculum design and development. A few students, teachers, alumni and employers have shown their dissatisfaction on the current curriculum. Based on their opinions following actions have been taken.

➤ **Areas on which students, teachers, alumni, and employers have expressed suggestions**

- Students should get computer knowledge.
- Teachers should get training of ICT teaching.
- Students should get 24 hours reading facility at library.
- Campus interview for the final year students.
- Skill development courses at college level should be started

➤ **Action Taken:**

- 64 computers with internet facilities are made available for all the students at computer department of the college.
- Placement committee is formed in the college to organize seminar and workshop on job to increase job prospect.
- Students' problems and suggestions were discussed with the college Principal and IQAC committee.
- Experts from Nagpur were invited to give ICT training to the college teachers. A committee of expert teachers in ICT was also formed to teach the teachers who are not trained in ICT.
- Arrangement of chairs and tables at library is made available where students can sit and study all the time.
- Request letter from college was sent to Gondwana University Gadchiroli during the session 2021-22 for getting permission for skill development courses. As a part of this, three courses on Herbal medicine, Aquaculture and Rice Processing were introduced from the session 2022-23.
