One Day online National Webinar On
“NIRF AND AISHE: ROLE OF TEACHERS”
REPORT

In Covid-19 Pandemic, everyone has to stay at home and stay safe with keeping social distancing. During this period, only online things were going smoothly. So therefore, everyone wants to learn something new through the online. In this regard, department of chemistry, N. H. College, Bramhapuri has taken advantages for teachers to understand Role of teachers in excelling performance of institution by organizing online one day national webinar on NIRF AND AISHE : ROLE OF TEACHERS.

NIRF is National Institutional Ranking Framework. It was approved by the MHRD and launched by Honourable Minister of Human Resource Development on 29th September 2015. This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. It covers the following parameters:

1. Teaching, Learning and Resources
2. Research and Professional Practices
3. Graduation Outcomes
4. Outreach and Inclusivity
5. Perception

AISHE is All India Survey on Higher Education. It was established by the Ministry of Human Resource Development for conducting an annual web-based survey, thereby portraying the status of higher education in the country. The survey is conducted for all educational institutions in India on many categories like teachers, student enrolment, programmes, examination results, education finance, and infrastructure. This survey is

used to make informed policy decisions and research for the development of education sector.
