

# Nevjabai Hitkarini College, Bramhapuri

## Waste Management

### Solid Waste Management

College appointed a person to collect the solid waste like Leaf litter, breaking glass material, plastics material, metal and woods. Also dustbin is placed in college premises at easily accessible location for students and staff to put waste. Municipal Corporation vehicle visit to college regularly to collect the garbage. Leaf litter is allowed to decompose systematically over a period of time to be used as manure for the gardens and vermi composed in the College. Excess leaf litter is collected by Munciple Corporation garbage vehicle.

## Municipal Corporation Vehicle Collect Garbage

**Garbage in the college premises collect in Municipal Corporation vehicle**

## Liquid Waste Management

The liquid wastes generated in the college premises from laboratory, washroom, canteen and hostel. Especially chemistry laboratory outlet is passed to separate water drainage line. Finally it is collected separate artificial pond where it percolates. Rest of the sewage from other laboratories and wash room is directed through underground drainage and it is utilized for trees.

**RAIN WATER HARVESTING SITE**

**SOAK PIT NEAR BOYS HOSTEL**

**OUTLET OF LABORATORIES FOR SAFE DISPOSE OF HAZARDOUS CHEMICALS AND LABORATORY WASTE**

## **E-Waste Management**

The disposal of E-Waste is a rapidly growing problem because electronic equipment frequently contains hazardous substances which affect the environment and human health.

Under the guidance of principal, Electronics and Computer Science Department collect the old or outdated and non working electronics/electrical equipment from other department. The eradication policy of such devices as follows :

1. If old or outdated device in working condition and no use of it in the department, it is transferred to another department where it required.
2. If device is non-working condition, testing is done at primary level in electronics department.
  - i) After testing and troubleshooting the problem, and if device is ok, it is returned to the corresponding department.
