## Part B

### CRITERION I – CURRICULAR ASPECTS

## 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Portfolio :Portfolio for the coming year is prepared well in advance taking in view of the curriculum aspects as well. In order to achieve best results in curriculum delivery, portfolio contains around 55 committees out of which, the committees namely diary verification, time table, academic audit committee, internal grievance cell, prospectus, student evaluation mechanism, library advisory committee and ICT teaching and learning etc. directly or indirectly contribute towards substantiating the curriculum delivery and documentation. As a result of that following functions are in place. Academic audit committee: It looks after the teachers' performance regarding various methodologies, techniques and tools used by him at the time of verification of Annual Performance Indicator. It verifies whether the indicators related with teaching learning are obtained by the teachers or not. Teaching plan : Teachers prepare the plan for the curriculum contents allotted to them after the first meetings of their respective departments. Teaching plan contains the name of the unit and the topics and concepts thereunder; completion time line, methods and the learning objectives etc., the format of which varies from subject to subject keeping in view the applicability of the course and programme. Course outcomes: Every teacher prepares the outcome of the course allotted to him at the outset of the course every year. He not only reads out the course outcome to the students but also displays it on the notice boards or outside wall of the respective departments. Course outcomes are also delivered to the students by email or whats up media. Daily Diary and attendance: All the teachers are provided diaries and attendance registers in the beginning of every year to record the personal inputs on allotment and completion of workload, result of preceding year, time table for the year and the daily record of class and subject wise teaching work. Attendance of the students is taken daily. The attendance and daily diary is checked and verified by the appointed in charges of the faculties, vice principal and principal as per the protocol. Bridge Course and Remedial Course : First year students are taught the bridge courses of one or two weeks to familiarize them with the new subjects. Tough subjects like English Literature, English Chemistry, Maths, Physics, Commerce are mainly focused. Remedial Classes are conducted to solve the problems of the students regarding basic and important topics. Mentor Mentee Mechanism : Teacher guardians and mentors solve the stress related problems as regards study, finance and do the counseling. Formative Exam : Apart from summative exam at the end of the session, students are tested on their curriculum through unit test, group discussion, surprise test, seminars, viva voce etc.

### 1.4 – Feedback System

#### 1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

#### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Teachers' evaluation by students Teachers' evaluation by students, in particular, covering the general, personal and professional parameters is reported to the higher authorities and actions are taken formally and informally. A committee consists of five teachers of arts science and commerce analyze the responses of the students about the teachers, make reports and send to the Principal for taking corrective measures within his own capacity.</p> <p>Feedback from Parents: Responses of the parents are taken in a wellorganized manner. Alumni and Parents Committee is a significant part of the portfolio. Questionnaire is designed to elicit the responses of the parents on academic programmes, syllabus, curriculum, availability and sufficiency of the courses, teachers approach, campus availability of the teachers, redress mechanism of wards' complaints, infrastructural facility etc. Feedback collected is graphically and numerically analyzed and reported to principal and higher authorities to take the corrective measures. Feedback from Alumni :Similarly, feedback from alumni was also taken by providing them the feedback form on facilities of library, sports, teaching, extension units, administration, sanitation, drinking water etc. Feedback collected is graphically and numerically analyzed and reported to principal and higher authorities to take the corrective measures. Due to regular practice of feedback taken from students, alumni and parents on academic, sports, infrastructural and environmental aspects, institution works upon the suggestions made by these stakeholders. Solar Panel installation, beginning of vermin compost, installation of new ramp, introduction of certificate courses in Sericulture,</p>

soil testing and solar energy. Teachers' evaluation on curriculum/syllabus Evaluation of syllabus by Teachers is done by taking their feedback on suitability, need, aims, content, prescribed books, scope etc. of the curriculum. Employers (Principal) feedback : Principal takes the confidential reports about the teachers through Heads, faculty in charges and Vice Principal. As far as nonteaching is concerned, feedback is taken from Superintendent in the form of confidential reports. Moreover, Principal also takes feedback of the teaching and nonteaching staff from the Academic Performance Indicator format and the SelfAppraisal Format respectively. Thus curriculum related aspects (wherever appears in varied points) are closely monitored by the principal that leads for smooth conduction of the college activities. Feedback Format on Course Outcome : Structured feedback from the students are taken on course outcome. Randomly selected students are questioned and cross questioned to confirm whether outcomes are achieved or not.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

MentorMentee facility is one of the studentcentric practices in college. This practice is implemented according to UGC norms. 834 students mentees were assigned to Fifteen (15) mentors of Arts faculty at UG level. 539 students mentees to 15 mentors of Science faculty are assigned. Six (6) mentors of commerce faculty 253 mentees from UG and 166 from PG are in commerce faculty. Appointed teacher mentors look after the students assigned to them on the stress related problems due to academic, financial, psychological and behavioral constraints and do the counseling in a well structured manner. Mentors with the allotted mentees have healthy talk and ethical relation to create conducive educational environment. Mentors guide and approach such mentees to make them relaxed from tension by counseling as well as paying extra attention to them. Institute has three faculties Arts, Commerce and Science in UG level, Mentor and mentees are allotted facultywise and class –wise in the academic year. All the full time teachers are mentors of their classes. After analysis of the varying but structured formats on this issue the committee came up with the following findings: Fifteen (15) Mentors of Arts Faculty have selected 123 mentees for guiding, counseling and needful help. Mentors have selected through observation of mental status of mentees. Mentors have categorized mentees on the basis of social, educational/examination, economical, mental/ confidence, physical and any other problems which may become hurdle in educational progress. 123 mentees of Arts faculty have received extra attention and care from mentors. Social problem 11, educational/examination 51, economical 10, mental/confidence 31, physical 01, individual 28, and any other 07, problems have found and tried to solve with extra care and sympathy on mentees. Fifteen (15) Mentors of science Faculty have selected 74 mentees for guiding, counseling and needful help. Mentors have selected through observation of mental status of mentees. Mentors have categorized mentees on the basis of social, educational/examination, economical, mental/ confidence, physical, individual and any other problems which may become hurdle in educational progress. 74 mentees of science faculty have received extra attention and care from mentors. Social problem 03, educational/examination 41, economical 06, mental/ confidence 23, physical 01, Individual 01, and any other 04, problems have found and tried to solve with extra care and sympathy on mentees. Six (6) Mentors of commerce Faculty have selected 40 UG, 18 PG mentees for guiding, counseling and needful help. Mentors have selected through observation of mental status of mentees. Mentors have categorized mentees on the basis of social, educational/examination, economical, mental/ confidence, physical, individual and any other problems which may become hurdle in educational progress. 40 UG, 18 PG mentees of commerce faculty have received extra attention and care from mentors. Social problem 04 UG / 04 PG, educational/examination 14 UG / 06 PG, economical 00UG/ PG04, mental/ confidence 21 UG / 03 PG, physical 00/00, individual 02 UG/PG02 and any other 00/00, problems have found and tried to solve with extra care and sympathy on mentees.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Internal Assessment and Evaluation Committee Internal Assessment and Evaluation Committee is formed which has been working since 201112. Committee takes accountability of monitoring assessment and evaluation system closely run at various departmental and college level. Continuous Evaluation system comprises formative and summative tests. Assessment of students' academic performance is carried out by unit tests, group discussion, quiz test, surprise test, viva voce, open book exam, interaction, practical in science lab and language lab. College teachers conduct Internal Assessment of 20 marks which consists of assignment submission, oral test, seminars, attendance, behaviour and discipline of the students. Evaluation at the entry level: Evaluation of all first year students done by taking result data of qualifying exam to identify slow and fast learners. Furthermore, entry level multiple choice tests are taken by the departments to do the same. Result Analysis: Results of the previous year, just after declaration is recorded by the concerned teachers and heads at their level and also in the daily diary maintained by the all the teachers to see the progress of the allotted class and do the needful accordingly. Parents and Alumni Feedback : Feedback from parents and alumni is collected and taken covering the points of evaluation of students on different parameters like syllabus, teachers, infrastructural facilities etc. Cocurricular and Extracurricular Activities : As a part of formative assessment, students are continuously observed and evaluated by their performance in poster presentation, wall paper presentation, PPT presentations, debate, elocution, essay competition and other cultural programmes.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Academic Calendar : Academic Calendar in consonance with the University calendar is prepared, displayed on various notice boards and communicated to students in orientation programme. It covers examination related schedule (various dates of submission of exam forms, last dates and dates with extra fees) information about commencement of college winter and summer vacation etc. However college curricular, cocurricular and extracurricular activities are also incorporated into it. In order to act on the academic calendar as regards exam, the notices are displayed by the heads of the departments in front of their respective departments, on two to three main notice boards. All categories of students appearing for examination are also communicated about the various dates of submission of exam forms, last dates and dates with extra fees. Exam Room and In charge: Separate Exam Room numbered 210 has been allotted for conducting the summative examination of the students. He also gets the seating arrangements done well in advance. Disabled students are provided the approachable place and the writer. Proper working and maintenance of the

independent xerox machine, printer and laptop is taken into consideration well in advance to do the exam related works. List of invigilators in excess is prepared to avoid the last minute trouble. Strict vigilance is done throughout the exam days by the invigilators, exam in charge and others to deter any exam related untoward and unfair activities. Complete confidentiality and secrecy in exam related matter is maintained by the exam in charge.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

As there has been no direction from regulatory agencies, college does not have statutory student council, however college ascertains the participation of the students in various bodies of the college as members. Being the most important and the central of all stakeholders of the higher education, they are included in the various committees and cells of the college to run the academic, sports, cultural activities and programmes. To this effect, as per the Maharashtra Public University Act, they are representative student member in College Development Committee(CDC). They also form part in the editorial board of college magazine committee. In addition to this, they are the part of portfolios prepared for academic excellent award and college day programmes. All the subject wise study associations of the college include them. It is noteworthy, that students participation is determined and ascertained for quality assurance and hence one girl and one boy student make to the Internal Quality Assurance Cell composition. These initiatives bring about the transparency, objectivity and feeling of inclusiveness among the stakeholders.

### **6.1 – Institutional Vision and Leadership**

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Practice of Decentralization and participative management Principal being the statutory head of the institution enjoys his rights with no intervention of any of the management representatives. All the major administrative and academic decisions are taken by principal solely. However in the event of serious issues principal consults the management if required, for arriving at suitable decision unanimously. As a result of this, transparency and impartiality are maintained by ascertaining fair recruitment on merit basis timely placements of the teachers and their professional development participation and representation of students in various significant committees like college development committee, magazine committee, subject associations etc. Besides, With an intention of smooth, allinclusive and comprehensive functioning in the college as regards academics, research and extension works the policy of decentralization and participative management is adopted and accomplished in the following manner. Portfolio : An exhaustive portfolio is designed and distributed among staff with intent of decentralization of power to the chairmen and incharges of various committees who run activities throughout the year at their end. They chalk out programmes under their committees and cell and consult the principal only to decide the suitability of the schedule for organizing the activity. Regular meetings were taken by the chairmen and the works related with the programme are distributed among the members of committee by him. This kind of freedom determines the smooth conduction of the programmes. Departmental Heads Heads of the departments were entrusted with the responsibility of carrying out departmental activities, in consonance with other teachers of the respective departments, including recruitment of contributory teachers, distribution of workload and units of the syllabi, internal assessment of the students, internal adjustment of the class engagement in the event of absence of a teacher and organization of any activity. Heads check the daily diary of the teachers belonging to their respective departments weekly and then submit to teacher incharge of science faculty, vice principal or principal for verification and signature. Practice of Decentralization and participative management Principal being the statutory head of the institution enjoys his rights with no intervention of any of the management representatives. All the major administrative and academic decisions are taken by principal solely. #### 7.2 – Best Practices

##### 7.2.1 – Describe at least two institutional best practices

**Best Practice 1: Reading Room till Midnight for Aspiring Students** This practice is initiated by the library under the aegis of College and aims at providing better educational ambiance and facility not only for college students but from the students of the nearby villages who are preparing for competitive and university exams. It also inspires them for the healthy competition for getting selected in various competitive exams. Development of reading culture among the students is one of the aims of Midnight Study Room. As college is situated in a rural area, students especially hostellers and tenants of small sized single room do not have comfortable seating facilities and study atmosphere to prepare for regular as well as competitive exams. Hence this practice is started to provide them better seating arrangement and other facilities of magazines, books, newspapers and internet facility. To fulfill their needs and optimal

utilization, the facility of reading room, the reading room is even kept open till midnight for them. Best Practice 2: Assistance to RTO department in RTO Camp As per the government of Maharashtra directed to organize RTO camp at taluka place and avoid inconvenience to the people of remote area, institution planned to provide assistance to RTO department in organizing RTO camp in the institutional campus.

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vision of the college inscribed as a maxim on the arch gate of the college that reads "Step in for Knowledge, Reach out for the Service to Mankind". Institution is committed to society and uses his expertise and infrastructure for the benefit of the social upliftment of the local community. Following activities conducted this year have direct bearing on the vision statement of the college. Law and Order for Communal Harmony College has provided central auditorium hall to the police machinery working in collaboration with the local bodies like gram panchayat, panchat samiti etc. for holding 'peace meeting' on the eve of Ganesh Festival. Local Women Empowerment Programme 1) To educate women about the transactions and existing government schemes, a workshop on "Digital Transaction Awareness and Various Government Schemes for Self Help Group Mahila Bachat Gat" on 26/03/19 was held at Hiralalji Bhaiya Auditorium Hall of the college. Resource person Bhojar sir elaborated various government schemes for Self Help Group (Bachat Gat). Another resource person Dr.D.H.Gahane counselled on "Significance of Digital Transaction and How to Manage the Accounts" on this occasion. This counselling has added to the knowledge of the women belonging to Self Help Group. Benefits of the programme • Learnt management of Cash book and balancesheet in MS Excel • Management of Financial Transparency • Knowledge of government schemes for SHG increased Farmer Friendly Counseling Two day workshop was held on 12th and 13th March 2019. Three Counseling under the titles Digital Transaction Soil Testing Fertilizers and Vermicomposting was conducted by Dr.D.H.Gahane, Dr. Y.P.Thawari and Prof.Jayesh Hazare respectively on 12/03/19. Dr.A.N.Mungole and Dr.R.D.Wakodiari counselled on Medicinal Plants and Rainwater Harvesting and Solar System on 13/03/19. Benefits of the counseling programme • Farmers were motivated to install solar pumps to save electricity and overcome the problem of load shedding. • There is a provision of 07 hours power supply for agriculture. Hence farmers work in the farm even during the nights. The installation of solar pump will solve this problem owing to the availability of power generated by solar during the day.
